School Overview

Jundah State School is located in the Fitzroy/Central West Region, Longreach District and services the community of Jundah and adjacent properties. Jundah is situated 217 kilometres south west of Longreach and is surrounded by sheep and cattle grazing properties. Most of the students come from the town itself which is the administrative centre of the Barcoo Shire - the second largest shire in Queensland. Itinerant positions include the teacher, police and hospital staff. There is on-going interest in school support from the community members. Our community actively participates in the life of the school through the Parents and Citizens, adopt a cop, and the local shire council. Our school organises and presents a Christmas Concert each year for the local and wider community, supports established community events and contributes to the local newsletter and noticeboards. Particular features of the school include two buildings: currently used as a classroom and a library with an additional room underneath used as an Art Room/Science Room. The grounds are particularly beautiful with large trees, colourful garden beds and shrubs. Approximately 10 students attend the school. Jundah State School is a member of the Outback Advantage, which is a cluster of nine small schools in the Longreach area who believe that there are many advantages to being educated in small, rural, multi-age schools. We have a shared approach to curriculum, teaching, assessment and reporting. Through this team we work to implement quality assured, moderated units of work.

Principal's Foreword

Introduction

The 2017 School Annual Report outlines the achievements and activities of our students across the curriculum and their attendance. It also highlights staff achievements, professional development and qualifications. This report is made available through the school intranet and as a hard copy from the school office, which will be mentioned in the school's newsletter.

The staff and community of Jundah State School are committed to ensuring excellence in education delivery for all students every day. We acknowledge the significance of the partnership between home and school and endeavour to foster open and authentic communication.

School Progress towards its goals in 2017

In 2017 Jundah State School, prioritised the implementation of the Australian Curriculum, with a focus on English and using a backward mapping process. This involved professional development, the continuation of instructional rounds with staff from the Outback Advantage Cluster and work with a Principal Education Advisor Australian Curriculum to develop the planning and delivery of the English curriculum. At the end of 2017, the Outback Advantage commenced a project with the C2C curriculum team to devise a manageable P-6 units (English initially) based on the Australian curriculum utilising the resources of the C2C units.

Staff Performance Development Plans are developed and reflect our school's improvement agenda and regular staff meetings occur to maintain a whole school focus on the explicit improvement agenda of the school, data analysis and professional development contributing to reflective and refined teaching practices.

Through an enhanced curriculum and effective implementation of a Whole School Curriculum, Assessment and Reporting Framework, integrating the Australian Curriculum and C2C unit plans, students are provided with consistent and effective curriculum delivery. Moderation occurs within the Outback Advantage to quality assure assessment.

Using our Investing For Success funding, we have worked collaboratively with the teachers of the Outback Advantage cluster to adapt and improve C2C units, tailoring them to the needs of the multiage setting, while maintaining the integrity of assessment tasks to ensure students receive access to the Australian Curriculum.

Other successes include:

- o The maintenance of data collection, goal setting and teaching strategies to meet individual learning targets.
- o Exceeding the target of 50% of students achieving in the Upper Two Bands for Writing and Numeracy.
- o 100% of students in years 4 to 6 exceeding their AYPT in probe reading levels, elevating their reading age by an average of 2 years of the AYPT goal.
- o 100% of students practising NAPLAN reading tests 12 months ahead of actual test dates o Instigation of a whole-school writing program in English, improving overall mean of students in Years 2 to 6 practice tests to maintain 85% of students operating in U2B in 2017.

Future Outlook

The key priorities for Jundah State School in 2018 include continual implementation of the Australian Curriculum and incorporation of an Explicit Improvement Agenda in conjunction with our Annual Implementation Plan to effectively:

- Implement the Australian Curriculum to gain student improvement
- Continue to develop and implement P-6 units planned in conjunction with the C2C curriculum team.
- Implement whole school pedagogical practices of Explicit Instruction, front ending
 assessment and effective use of feedback opportunities to direct student learning, ensuring a
 sharp and narrow focus is placed on writing (to continue the progress already made in 2017).
 Within this Agenda, the literacy continuum will be utilised to assist students in monitoring their
 own progress and determining their next goals
- Develop instruction leadership with a focus on workforce performance with a clear focus on the shared understanding of how numeracy is taught at the school with further refinement of the delivery of the Numeracy Improvement Project both within the classroom and across the Outback Advantage cluster, with Pre and Post Diagnostic Term tests helping to determine individual student goals, and Revealing the Reasoning session providing the instruction to achieve this.
- Continued focus on transitioning to the Australian Curriculum.
- Develop productive partnership with students, staff, parents and the community through communication, mainly written, such as weekly newsletter, SeeSaw, emails, communication books and local publications.
- Trial the implementation of the P-6 multi-age English unit plan.

Our School at a Glance

School Profile

The school's motto *To Strive is to Succeed* encourages every child to reach his or her full potential while promoting achievement, persistence, resilience and life-long learning. Jundah State School has a shared commitment to deliver a quality curriculum through highly effective practices to ensure continuous improvement in student achievement.

Jundah State School is a member of the Outback Advantage which consists of a cluster of small rural schools with multi-age class groupings. The Outback Advantage have a shared approach to curriculum, teaching, assessment and reporting. Each term the cluster of Small Schools undertake moderation of student assessment pieces from the C2C units and Diagnostic Maths ensuring that consistent expectations and attainment are achieved.

Coeducational or single sex: Coeducational

Independent Public School: No

Year levels offered in 2017: Early Childhood - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	9	7	2	1	82%
2016	10	6	4	1	100%
2017	6	4	2		67%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

Jundah State School is a Remote Kindergarten Pilot school, with fewer than five students enrolled in 2017.

Characteristics of the Student Body

Overview

The student body of Jundah State School is mostly made up of children whose family receive a regular wage: Barcoo Shire Council, Queensland Health, Police and property managers.66% of students' families work for the Council and 33% on the land as managers. The students live in a remote rural area. 100% of the students have a sibling also attending the school.

^{**} pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous).

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	11	10	9
Year 4 – Year 6			
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

Co-curricular Activities

- Windorah Sports Camp
- Swimming Carnival
- Barcoo Athletics Carnival
- Longreach Athletics Carnival
- Sports Skill Development workshops in Longreach
- End of Year Concert
- Biannual School Camp

How Information and Communication Technologies are used to Assist Learning

Many of the C2C assessment pieces require students to utilize ICT's for presentations; therefore skills are taught as necessary to ensure that these tasks can be readily undertaken. Students are timetabled to access sites such as Reading Eggs and Mathletics regularly in order to consolidate learnings that have taken place in the classroom. These sites allow teachers to set up specific tasks relevant to what is being taught in the classroom. Students are enrolled in compact subjects, which are conducted through Blackboard, or a needs basis, usually to extend wither Maths and/ or English. An interactive promethean board is used for teaching.

Social Climate

Overview

As all students are based in the one classroom for the majority of the day, the school has a very intimate atmosphere. Little to no bullying occurs within this setting. If such a case became evident, all students involved and their parents would be immediately called to the school and the behaviour addressed, as per the School's Responsible Behaviour Plan. The metalanguage that is developed through the You Can Do It Program provides the foundation for conversations and reflections about appropriate behaviour choices and strategies such as 'blocking' distractions.

^{*} Nationally agreed student and parent/caregiver items

Parent and community engagement

At Jundah State School we are committed to building strong, sustainable positive relationships with parents. We endeavour to encourage parent participation and appreciate any contributions of parents to our school. The school is building an understanding towards recognising and celebrating the significant impact the relationship between home and school has on a student's learning. We are working to create a shared view of parents as our clients, whose voices must be valued and given every opportunity to be heard.

We actively involve parents in their child's education by:

- Inviting parents to special events such as Sports Days, Swimming Carnivals, school barbeques and social occasions.
- Inviting parent feedback through surveys, conversations and a shared vision for the school.

Respectful relationships programs

Our School Responsible Behaviour Plan for Students identifies that all students should be safe, be responsible and be respectful within the school environment. These rules ensure that there is no place for bullying at our school. Parents are contacted for inappropriate behaviours according to the School Responsible Behaviour Plan, and if behaviours continue a student focused plan is initiated in consultation with parents for those students. Newsletter articles, posters and parade are also portals for disbursing information.

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Туре	2015	2016	2017
Short Suspensions – 1 to 10 days	0	0	1
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Queensland Government

^{# &#}x27;Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Environmental Footprint

Reducing the school's environmental footprint

At Jundah State School we are committed to reducing our environmental footprint. Solar panels, which had previously been installed, are now connected. We are mindful of the use of power and ensure lights, air conditioning and other appliances are turned off when not in use.

EN'	ENVIRONMENTAL FOOTPRINT INDICATORS				
Years Electricity Water kL					
2014-2015	21,462	400			
2015-2016	11,908	200			
2016-2017	26,930	400			

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

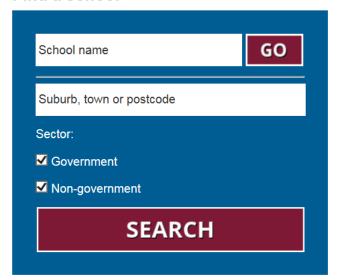

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at http://www.myschool.edu.au/.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$8,855.45.

The major professional development initiatives are as follows:

- Queensland Principal's Conference
- C2C multi-age units
- First Aid for all staff
- Principal's Business Meetings (Once a term)
- Instructional Rounds
- Peer Review Training
- Profiling training.

The proportion of the teaching staff involved in professional development activities during 2017 was 100%

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)								
Description	2015	2016	2017					
Staff attendance for permanent and temporary staff and school leaders.	100%	100%	99%					

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 100% of staff was retained by the school for the entire 2017.

From the end of the previous school year, 100% of Teacher aides were retained. However, staffing issues continue throughouthe year due to several factors: lack of local accommodation, inability to offer permanency and isolation.

^{**}Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017								
Description	2015	2016	2017					
The overall attendance rate* for the students at this school (shown as a percentage).	97%	94%	89%					
The attendance rate for Indigenous students at this school (shown as a percentage).	DW	DW	DW					

^{*}The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

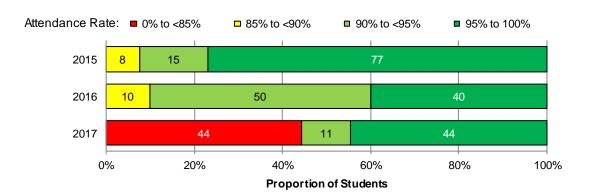

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	91%	98%		97%	DW	97%	DW	100%					
2016		95%	DW	DW	94%		94%						
2017	DW		86%	DW	DW	96%							

^{*}Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

Student Attendance Distribution

The proportions of students by attendance range:

DW = Data withheld to ensure confidentiality.

Description of how non-attendance is managed by the school

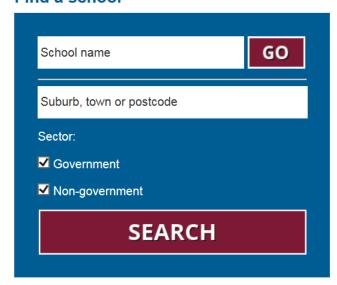

Non-attendance is managed in state schools in line with the Department of Education procedures, Managing Student Absences and Enforcing Enrolment and Attendance at State Schools and Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Jundah State School is an isolated school that experiences student absences, often beyond the control of the families or the school, such as wet weather (roads flooded and closed), medical appointments which are often in another town and older siblings that are at boarding school and families need to collect and return to school, childcare is unavailable and babysitting in often unavailable. Along with the wider school community, we offer assistance under these circumstances to assist our families where possible to get their child to school or provide an educational program. Jundah State School marks the electronic roll and also records student absences in the daily diary. Parents notify the school of absences and where possible notify the school in advance. If students have been absent without notification from a parent or carer the school contacts the family. If unexplained absences were to occur on a regular or continual basis, the school would contact the Guidance Officer. The school printed tables of information relating to days absent and their totals over a school life-time to highlight the importance of attending school regularly. The figures shown relate to either illness, or our rural families travelling for business purposes and holidays. Parents are encouraged to get students to school every single day unless their child is ill. Attendance

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Find a school

data is shared in the newsletter and at P&C meetings.

Where it states 'School name', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. School NAPLAN information is available by selecting 'NAPLAN' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Conclusion

Jundah State School continues to promote multi-age classrooms and the delivery of the Australian Curriculum to all students. "To strive is to succeed" is suitable in all areas of academic, sporting and social so every child can achieve his or her full potential.
